<sup>2</sup> The Individual Plaintiffs refer in their Motion to a “separate motion” they have filed “to enjoin the [June 26] primary election until the County has fully complied with the Order and Judgment.” (Dkt. 492 at 15.) The court finds no such motion on the docket. In the present Motion to Reopen, the grounds for an injunction issued pursuant to Rule 65 are not cited or evaluated. In view of this, the court is not at the present time considering injunctive relief.
